1-4  
MARCH  
2024

WEEK

Creativity, Collaboration and Innovation.

Join us for a captivating week of carefully curated events that highlight the crucial role of creativity, collaboration, and innovation in fostering sustainable, dynamic, and inclusive growth. This initiative is dedicated to spotlighting Zimbabwe's rich creative and cultural landscape, showcasing its significant contributions to the global creative economy.

The events, open to everyone, will bring together industry professionals, policymakers, artists, and entrepreneurs.
